

# PETITION

To the Legislative Assembly of Victoria,

The petition of certain citizens of the State of Victoria calls on the Andrews Government to provide funding for a new Drouin Police Station or rebuild in the May 2018 State Budget.

Drouin has a rapidly growing population and a new police station with modern facilities would greatly assist Victoria Police officers in carrying out their duties and maintaining community safety.

The petitioners therefore request that the Legislative Assembly direct the Andrews Government to deliver funding in the May 2018 State Budget so that Victoria Police have the facilities and resources they need to help keep the local community safe.
